

## **SPHERION PROFESSIONAL SERVICES ACQUIRES 400 ADAPT LICENSES FROM BOND INTERNATIONAL SOFTWARE**

### ***Bond extends its reach throughout all of Spherion's Professional Services Division***

RICHMOND, VA (SEPTEMBER 12, 2005) – Ft. Lauderdale based Spherion Corporation (SBYI.OB) has chosen *Adapt* by Richmond, VA based Bond International Software, Inc. to provide an additional 400 user licenses for its Professional Services Division. This move brings the total number of *Adapt* users to nearly 800 throughout Spherion and underscores the strength of Bond's presence among the largest staffing and recruitment firms in the world.

David Read, Bond US President and CEO commented, "I am delighted by the opportunity to further extend our presence within Spherion's organization. Given Spherion's position as the eighth largest staffing and recruitment company in the US, and following on from recent wins at Randstad, Eastridge and CompHealth, this decision further emphasizes the fact that Bond is uniquely positioned to accommodate the varying needs of the largest players in the staffing industry. This decision gives Spherion the best industry-specific tool to enable its workforce to focus their efforts on maximizing revenue and profitability."

#### **About Spherion**

Spherion Corporation is a leader in the staffing industry in North America, providing value-added staffing, recruiting and workforce solutions. Spherion has helped companies improve their bottom line by efficiently planning, acquiring and optimizing talent since 1946. To learn more, visit [www.spherion.com](http://www.spherion.com).

#### **About Bond International Software Group**

Bond International Software (UK, AIM: BDI) is the world's leading supplier of fully configurable staffing and recruitment software. Since 1973, Bond International Software has been the pioneer in the development and provision of staffing software, support and consultancy services to the staffing and recruiting industries. It supports more than 50,000 staffing professionals in 42 countries worldwide and has over 150 employees worldwide in its offices in the U.K., Australia, South Africa, the U.S. and Canada. Since its founding in 1973, Bond has consistently combined innovation, dedication and market focus to forge ahead of its competitors. Its products and services have achieved prestigious acclaim and are now the market choice of many of the world's largest and most well-respected personnel organizations. Its consistent, visionary perspective has enabled its network of global users to interpret and manage dynamic, complex markets and realize tangible competitive advantage in the race for human capital.
